## Dear Citizens:

The Department of Parks and Recreation is planning another fantastic spring and summer season! It promises to be one of celebration and excitement in the number and variety of recreational opportunities that Allentown has to offer!

Our popular Summer Playground Program is celebrating its 100<sup>th</sup> Anniversary this

summer, and will culminate with a spectacular Romper Day on Monday, August 5. I encourage all alumni and program supporters to attend this year's Romper Day celebration, which will be an amazing tribute to such a long-standing, unique program! *(see back page for more details)*

"Movies in the Park" will continue this season with five fresh, family friendly movies shown on the city's large inflatable screen accompanied by a sound system that rivals the theatre experience. New this year will be pre-movie entertainment and activities,

# Capital

## MAINTAINING AND

### Jordan Park

The Department of Parks and Recreation is working closely with the Wildlands Conservancy to remove dams in the Jordan Creek and the Little Lehigh. The removal of these dams will help to return the streams to their natural state and will provide a healthier ecosystem for fish and other aquatic organisms.

### East Side River Trail

Thanks to a grant from DCNR, the City of Allentown was able to complete a beautiful new trail in East Allentown. The trail can be picked up near Canal Park at N. Albert Street and taken to N. Bradford Street. The trail also has a beautiful overlook of downtown Allentown and the Lehigh River.

# Improvements

## IMPROVING ALLENTOWN'S PARK SYSTEM

### Stevens Park

Thanks to a DCNR grant, Stevens Park will be receiving multiple renovations in the near future. The renovations may include additional greenspace, new pavilion, new playground equipment and a new basketball court.

### Jackson Street Community Play Lot

The Jackson Street Community Play Lot will be receiving renovations in 2013-14. These renovations may include a new playground, pavilion and walking trails.

### Blue Bird Trail

The newly installed blue bird trail in the Lehigh Parkway was an instant success! Blue birds were spotted visiting the nest box just minutes after they were installed! The trail is located behind the Museum of Indian Culture between the trout nursery and fly shop. Interpretive signage will also be installed. A special thanks to the Lehigh Valley Audubon Society and all the volunteers who helped with this project.

Recycling 100 cans  
produces enough  
energy to light your  
bedroom for two  
whole weeks

If every American  
recycled just one-tenth  
of their newspapers,  
we could save about 25  
million trees each year.

A used aluminum can  
is recycled and back on  
the grocery shelf as a  
new can in as little as 60  
days. That's closed loop  
recycling at its finest!

Five 2-liter plastic  
PET bottles (#1) can  
make 1 sq. ft. of  
polyester carpet and  
an XLG T-shirt!
